  - 1400 busses in total
- All busses in Scandinavia within 8 years

ARRIVA

The drivers

- Skeptic at first
  - Suspicious
  - More surveillance
- Now widely accepted
  - Clear conscience
  - Seen as a progress in acceptance of their work
- Same reaction in Sweden

Arriva Skandinavien A/S

- Clear message
  - Zero tolerance policy towards driving under influence
  - Take our responsibility seriously
  - **Safefy first!**
- CSR
  - Arriva offers help and treatment
- Edge in tenders?

So far…

- No extra time needed before driving
  - A part of normal start-up procedure
  - Max. 10 seconds
  - = no extra cost for Arriva
    - Ex. Gladsaxe depot →
      - 240 shifts every day = 240 minutes = 4 hours x 175 DKK = 700 DKK x 360 days = 252.000 DKK
- 6 drivers a year – approx.
  - Now stopped before driving
  - Do not need suspicions from passengers / Police ect.
