The PIN Talk in Italy is the 36th ETSC has organised since 2006. The Road Safety Performance Index (PIN) Programme was launched in 2006 to compare country performances in road safety. It currently includes the 28 countries of the EU, as well as Israel, Norway, Serbia and Switzerland.
The Road Safety PIN programme receives financial support from Volvo Group, Volvo Trucks, the Swedish Transport Administration, the Norwegian Public Roads Administration and Toyota Motor Europe. www.etsc.eu/PIN.

The discussion will be held both in Italian and English. Simultaneous translation will be provided.

Participation is free of charge but the number of seats is limited. For security reasons, participants are required to register in advance. For registration and details regarding participation, please contact:

Francesca Podda (ETSC): francesca.podda@etsc.eu;

Please note that all participants, including those who have registered in advance, must bring an identity card or passport in order to enter the event location.
