  - SWOV, VTI, UCL and DaCoTA
  - European Commission
  - PIN sponsors
- **PIN receives support from**
  Volvo Trucks and Volvo Group, Swedish Transport Administration, Norwegian Public Roads Administration, Toyota Motor Europe

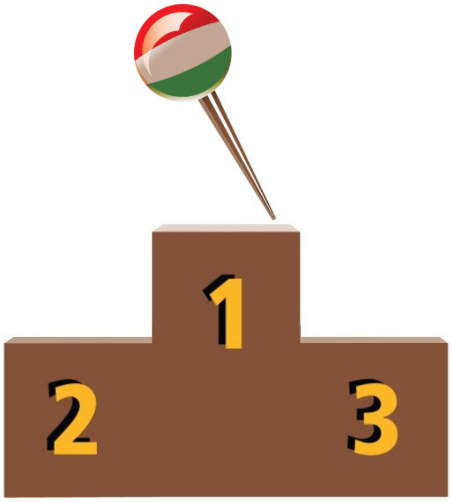

Road Safety PIN Awards

Between 2007 and 2011 eight countries have received the PIN Award

ETSC
European Transport Safety Council

Road Safety PIN Award 2012

G1

- ✓ Substantial reduction in road deaths since 2001
- ✓ Implementation of comprehensive road safety policies and measures
- ✓ Increased enforcement of major traffic offences

Slide 4

G1 I have to change the flags I don't have the files here with me now.
Graziella, 6/19/2012

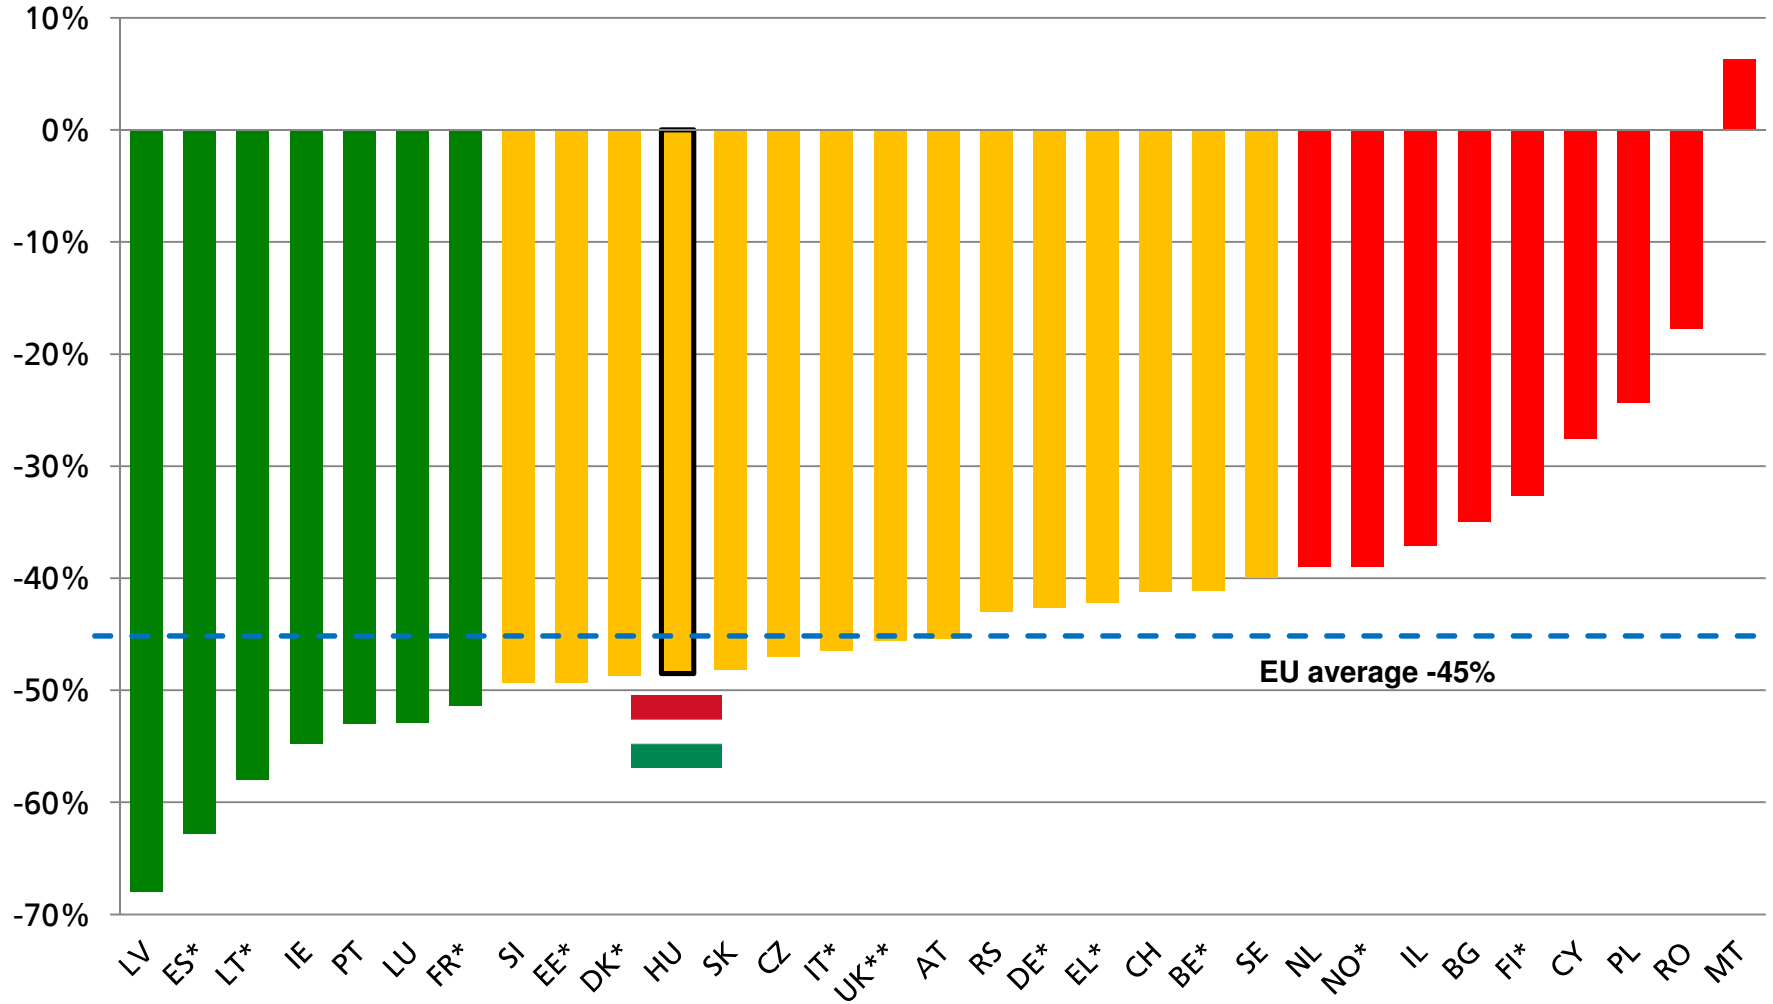

PIN Award 2012 to Hungary

- ✓ 14% reduction in road deaths 2010- 2011
- ✓ 49% reduction in road deaths 2001- 2011
- ✓ Road deaths per million population cut by more than half between 2001 and 2011
- ✓ 3rd country (behind Malta and Slovakia) for road deaths per million inhabitants among the countries that joined in 2004.

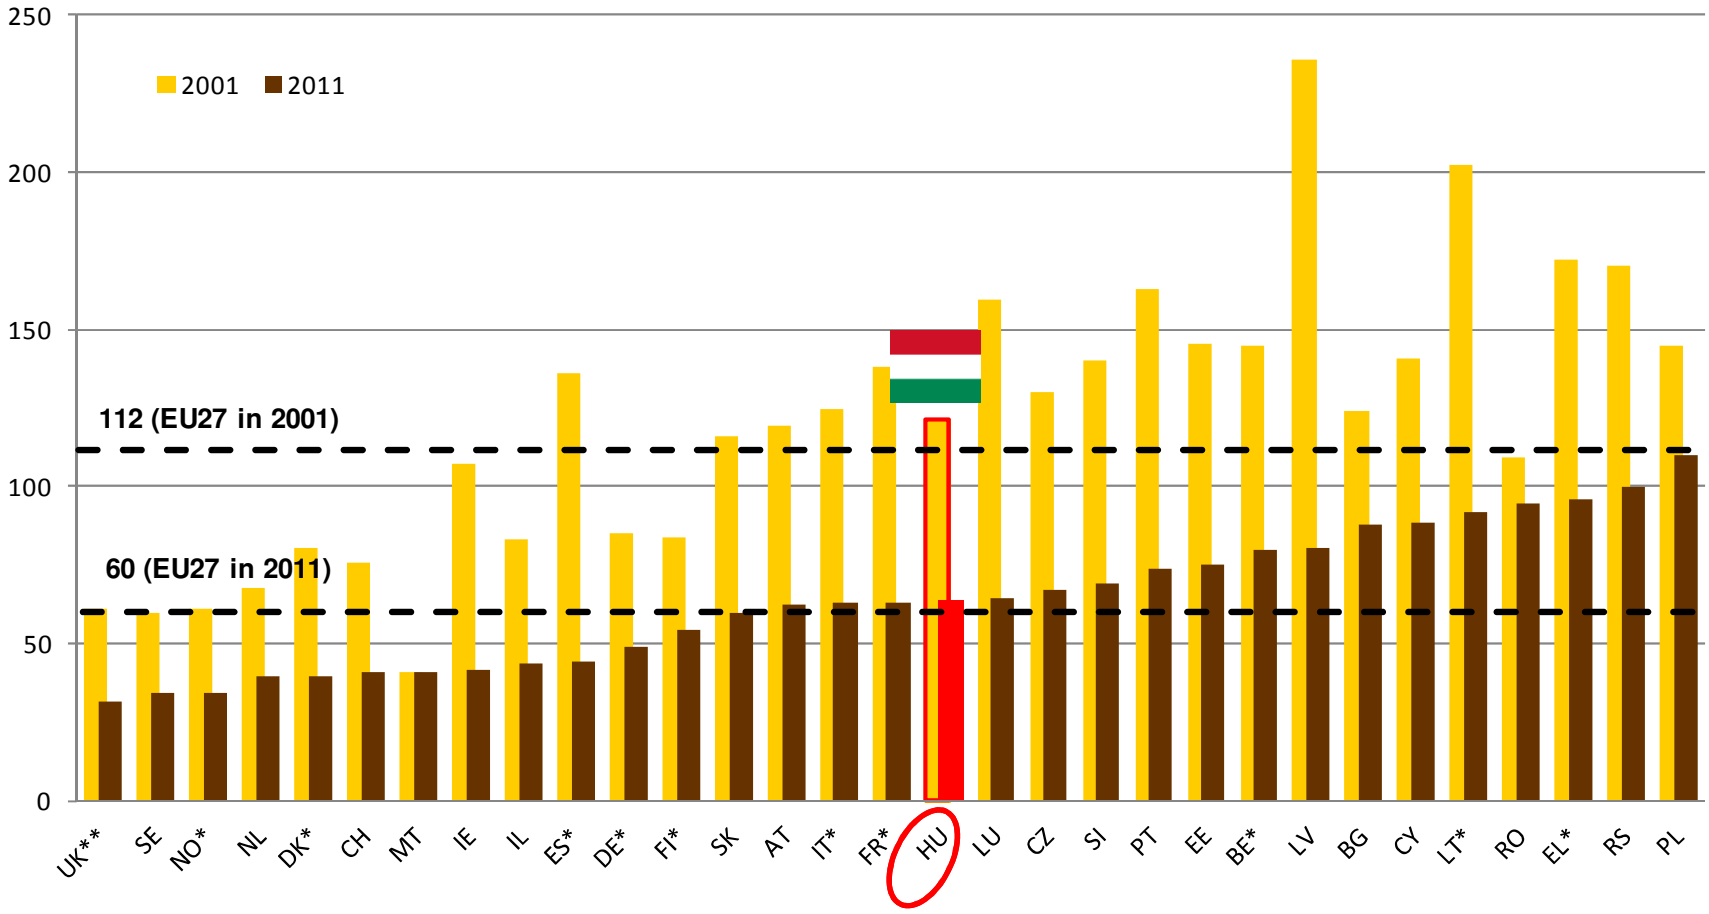

Progress since 2001

Percentage change in road deaths between 2001 and 2011

ETSC
European Transport Safety Council

Road mortality in 2011 and 2001

Road deaths per million inhabitants in 2011
(and in 2001 for comparison)

European Transport Safety Council

PIN Award 2012 to Hungary

- ✓ Progress helped by a comprehensive set of road safety measures:
  - Introduction of owner liability
  - Introduction of speed camera enforcement
  - Zero tolerance for drink driving
  - Introduction of a penalty point system
  - Infrastructure improvement schemes
  - Education and awareness campaigns
  - Road safety management: inter-ministerial coordination of road safety policy

No room for complacency

- Still more than **600** people die on Hungarian roads each year
- **64** road deaths per million population

  →14th out of 27 in road mortality

- Increase compliance with traffic laws
- Improve the safety of unprotected road users
- Improve the safety of the infrastructure
- Take full advantage of speed enforcement technologies
