

“YOUNG DRIVERS”

Belgium

Rik DHOEST
Federal Traffic Police

Presentation

1. What is the problem ?
2. Focus in Belgium
 - C.E.P.
 - Legislation
 - Campaigns
3. Conclusions

1. What is the problem ?

“Young” << >> “Novice” driver

TISPOL Challenges

ETSC data

“Young” << >> “Novice” driver

Young = “Age”

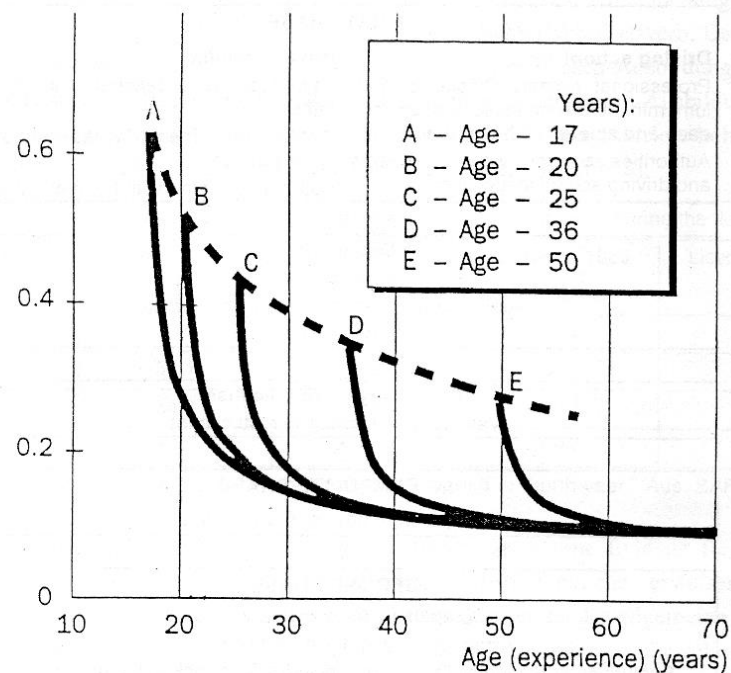

Novice = “New”

Driver : bicycle – moped – car / motorbike – truck / bus

Skills – risk analysis – experience

“Young” vs “Novice” driver

TISPOL Challenges

Motorbikers

>>> *targetted approach*

Young drivers

>>> *education – prevention – adapted communication*

Racing

Thrill seeking

ETSC data

Road deaths + 50 %

Mortality + 69 %

Young males + 81 %

2. Focus in Belgium

C.E.P.

Legislation

Campaigns

C.E.P.

Cell for Education and Prevention

50 years at citizen's service

History

1959

Creation of the first service for road education

A bus travelling all around Belgium, equipped with a material for movie and teaching

During the day at school and in the evening for adults

1969

Each Belgian regions has got a mobile track for education

History

1999

Acquisition of two seatbelt simulators

2006

Acquisition of a driving simulator for moped and motorcycle

2010

Project for acquiring a driving simulator for car
and a crash simulator

Integrated Police

Federal Police

Specialized Support
To local level

C.E.P

+ Television Program

Local Police

A need for Specialized
Support for their missions

Our offers to targeted groups

1. Basic Schools
2. High Schools
3. Enterprises and associations

Basic Schools

Theoretical Part

❑ Users of the road : pedestrians and cyclists

❑ Themes

- ☐ Explanations for parents
- ☐ Bikers clubs

- ☐ Local (Police) initiatives & schools
- ☐ Youth groups, DUS, RYD,
- ☐ Young victims

Legislation

Driver's licence

Speed & Alco / Drugs

Enforcement

Driver's licence

1. Car

Theoretical exam

Driving school << >> 'free' training

>>> Quality of the 'instructor'

>>> Practice time / mileage

>>> Further training

>>> Costs

Driver's licence

2. Motor

NEW 01 May 2013

| | | | |
|----|---|--------|---------------|
| AM | : | 16y | Moped 45Km/Hr |
| A1 | : | 18y | 11kW / 125ccm |
| A2 | : | 20y | 35kW |
| A | : | 22/24y | + 35kW |

Driver's licence

2. Motor

NEW 01 May 2013

Step – up system

Compulsory professional training

Practical tests / manoeuvres

>>> Costs

Speed / AD

For novice drivers

Speed lower tolerance

new exams

A / D **NO** 0.2 UAL

licence revoked

Enforcement

Hot spots

ANPR ?

Interception = education

>>> Alternative sanctions
