## Agency tasks are:

- Organization and implementation of analytic research in the field of road safety,
- Preventive and Education programmes,
- Task related to the National road safety programme,
- Task related to drivers and vehicles
- Organization and implementation of independent investigation of the most serious traffic accidents,
- Road safety audits relating to all phases of road planning, constructing and maintaining, in accordance with directive 2008/96/ec of the european parliament and of the council of 19 november 2008 on road infrastructure safety management and based on public roads act,
- Implementation of rehabilitation programmes for drivers convicted of speeding, driving under the influence of alcohol, drugs and medicines

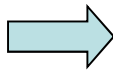

# THE NEW NATIONAL ROAD SAFETY PROGRAMME (2013-2022)

## MAIN GOAL

To halve the number of **fatalities** and **severely injured** on roads.

**2021**

35 deaths/mio

210 people/mio severely injured

Drivers

Vehicles

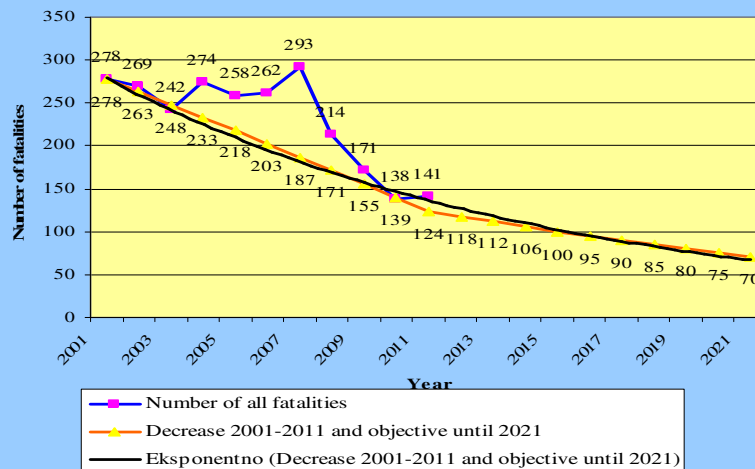

Road Safety

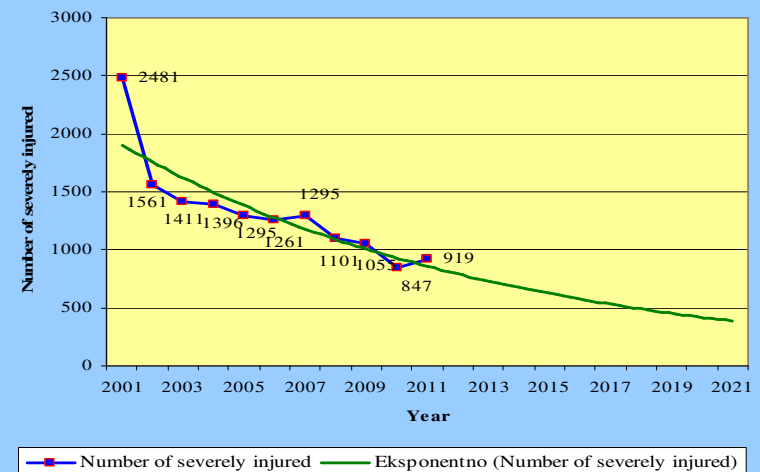

Prevention

Realization of goals of the National Road Safety Program from 2001 until 2021 and objective for decreased number of fatalities until 2021

Number of severely injured road users from 2001 to 2010 and objective for decreased number of fatalities until 2021
