29 defined measures directed towards young people

- ✓ Strengthen traffic/driver information in the education system
- ✓ Motivate parents to increase the extensive supervised driving
- ✓ All stakeholders to coordinate campaign activities towards young people
- ✓ Label cars of novice drivers (green L?)
- ✓ Control activities aimed specially towards young drivers
- ✓ Ask insurance companies to introduce positive measures (reduce premium for good behaviour)
- ✓ Develop a special course as a condition to regain a seized drivers licence
