The PIN Talk in the UK is the latest of the series of PIN Talks, the 31<sup>st</sup> ETSC has organised since 2006. The Road Safety Performance Index (PIN) Programme was launched in 2006 to compare country performances in road safety. It currently includes the 27 countries of the EU, as well as Israel, Norway, Serbia and Switzerland.

The Road Safety PIN programme receives financial support from Volvo Group, Volvo Trucks, the Swedish Transport Administration, the Norwegian Public Roads Administration and Toyota Motor Europe. [www.etsc.eu/PIN](http://www.etsc.eu/PIN)
